General Settings

Main Module Type:
Please select the Main Module Type from the dropdown list. List Manager can be used to pull listings from the following modules.

- Auto Dealer
- Business Directory
- Classifieds
- Real Estate
- Job Board
- Resume Manager

Choose Main Module:
Select the Main Module from the dropdown list (based on your Main Module Type selected above). This Main Module ID will then be stored and used to pull appropriate listings.

Align:
Select how you want Search Boxes to be aligned, Horizontal or Vertical.

Enable Categories?
Enable/Disable Category Dropdown List for this Search Add On.
